

How your Medicare card and account work

How to use your card, update your details, manage your Medicare online and record your organ donation decision.

Your Medicare card ^[1]

How to get, use and replace your Medicare card.

Update your personal details for Medicare ^[2]

If your details change, you need to let us know as soon as you can. This can include your name, address and bank details.

Acting arrangements for Medicare ^[3]

You can act for someone or ask someone to act for you with Medicare.

Organ and tissue donation ^[4]

Give the gift of life and register your decision to donate your organs or tissue after you die.
